Continuing Medical Education for Ophthalmologists

This list of continuing education opportunities for ophthalmologists is published monthly as a service to readers to help them keep abreast of meetings and courses of interest and importance. Presented by regional and national location, the list is updated monthly and provides an easy reference to continuing medical education (CME) courses. Accredited sponsors are encouraged to notify the Archives of upcoming CME activities for inclusion in the list free of charge. Listings will be published for 3 consecutive months and should be received at least 5 months prior to date of course, eg, for a June course by January 1 to be included in the March, April, and May issues. A course held between the first and 14th days, inclusively, will appear in the preceding month’s issue. The listing cannot be published unless it contains the following information: title, location, date(s), sponsor(s), and contact address. Optional information includes CME category 1 hours of instruction, registration fee, and guest speakers. Listings should be typed double-spaced with 2-inch left and right margins. Send submissions to Editor, Archives of Ophthalmology, CME, Suite 102, 2870 University Ave, Madison, WI 53705. Readers are encouraged to contact the accredited sponsor for more detailed information.

Notice to the Authors of Reports From Clinical Trials

The Journal of the American Medical Association (JAMA) and the Archives of Ophthalmology function as an editorial consortium. With one submission and one set of reviews, your clinical trial manuscript will be considered for publication in both JAMA and the Archives of Ophthalmology. Submit your paper to the journal of your choice according to the appropriate “Instructions for Authors” and the following guidelines will apply:

1. If your manuscript is accepted by JAMA, it will be considered for an editorial or commentary in JAMA. Your abstract will also be published in the Archives of Ophthalmology with a commentary or editorial.
2. If your manuscript is accepted by the Archives of Ophthalmology, it will be considered for an editorial or commentary in the Archives of Ophthalmology. Your abstract will also be considered for publication in JAMA.
